For Collector. 3/7-32.

Copy of letter dated 20th June 1932 from Khan Sahib
K. Abdul Hye Sahib Bahadur to the District Collector
of Bellary.

Reference your letter C. No: 3114/32 dated
the 16th June 1932 I beg to inform you that the mineral
market is going from bad to worse. There are about
four manganese mines in this District, and all of them
have been closed on account of the depression in the
mineral market. I shall be highly obliged if you will
kindly allow me time for one more year. I am corres-
ponding with several firms in the continent, and in
the meanwhile, I receive my orders for manganese
I shall be the earliest supplier of the same.

starting mining operations. But at present, I submit it is impossible to work the mine on account of the general depression. I once more request you, Sir, to allow me time ^{me?} for more year for which I shall be extremely thankful to you.

(P) 2/ In its Prog^d No. 1479 of 9.5.31 the
 Bd. permitted the temporary closure
 of the mine for a period of one year
 from 19.3.31 and directed the Collr to
 warn the lessee that action under

p 147 of the Mining
 Manual Clause 2 part IX of the lease deed
 will be taken if he failed to work
 the mine in a skilful and
 workmanlike manner after the
 expiry of the time allowed. The lessee
 states that the mineral market is

of further time. There is no objection
to the Board granting further time provided
that it considers that there is
sufficient cause for the grant of such
a concession - Vide rule 50 (VIII) and p 80 of the Mining Rules
clause 3 part VII of the lease deed. p 139 of - do. -

3. As regards the payment of dead-rent
it is sub. 2 as follows:-

It may be pointed out that the
orders issued in para 2 of p 3. B. 4.1184
of 23.12.31 were general though the
question started only with the payment
of the dead-rent due for the mine in
Gunda reserve. The lessee has paid
the dead-rent due on the mine in
Jonasageri reserve which is the mine
now in question. The lessee's appeal
to look for the remission of dead-
rent due for the mine in the Gunda
reserve has been dismissed by them.

For orders whether the Board
will grant extension of time for one
year for working the mine in Jonasageri
reserve as recommended by the Com.
in view of the fact that the lessee has
paid the dead-rent due on it or
whether it will direct the Com. to
come up again after the arrears of
